Program Experience

INDESIGN

Used to make books and print. Set up guts and cover for print and worked with various paper types.

ILLUSTRATOR

Created graphics, logos, icons, poster, as well as creating dyelines and color guides for print.

PHOTOSHOP

Edited photos, add 3-d effects to designs of products, create animations.

DREAMWEAVER, HTML, CSS, CSS GRID AND JAVASCRIPT

Created websites that include images, drop down menus, styled text. Linked pages and external sources. Added Javascript for customization.

ADOBE XD AND WORDPRESS

Created wireframes and layouts. Completed a website theme in Wordpress and used FTP to upload content onto my personal site and manage files for Wordpress.

PREMIERE AND AFTER EFFECTS

Shot my own videos and edited. Inserted text, external sound and videos. Created own special effects.
